On behalf of the Annual Día de la Mujer (DDL M) Conference Planning Committee, we extend our deepest appreciation for your participation of the 25th Annual DDL M Conference on April 7th, 2018. This event offered a comprehensive program of inspirational workshops and training activities highlighting and elevating the experiences of Latinx women at Michigan State University, the state of Michigan, and across the nation. We managed to host over 500 participants from the nearby communities as well as those from further parts of the state. All of which would have not been possible without your commitment; so thank you! Your contribution helped us provide our campus community an extraordinary and memorable opportunity.

Again, we are sincerely grateful for your support and we look forward to working with you on the 26th Annual Dia de la Mujer Conference.
